

Top rated financial institutions in Latin America, the Caribbean, Africa and Asia

Lima, October 2018. - MicroRate is pleased to present the financial institutions (FI) that obtained the best international grades in institutional rating (MIR) and social rating. The list includes regulated and unregulated entities from different countries.

The MIR evaluates the overall performance regarding the best practices and sustainability in the long term. We are also pleased to recognize the effort in the social performance management, which confirms the responsibility of these FI towards their customers, employees, the community and the environment.

The list has been sorted according to the rating assigned and alphabetical order.
